

Dormans Park Roads Trust Resident Communications & Privacy Information

It would greatly help the Trust if you agree to communication via email rather than paper. This helps support the environment, reduces costs and effort and also ensures you receive all communications from the Trust rather than only those relating to the Annual Resident Meeting or road rate payments.

As a resident of Dormans Park, the Dormans Park Roads Trust (DPRT) would like to communicate with you electronically on matters relating to the Trust and Dormans Park, including payment of the annual Road Rate as outlined in the Supplemental Deed of Covenant. This information will be used solely for these purposes and will be retained for as long as you reside in Dormans Park and/or you notify the Trust that you would like to have your details removed.

Your information will be stored on the Google platform (GMail and Google Drive) which is used to support the Trust management and will be used by Xero, the Trust's billing and accounting system when issuing the road rate or any reminders in relation to this.

The Trust will hold information on your Name, Address, Email Address and Road Rate Payment Status which will be stored electronically. Please confirm if you are happy to subscribe to the Trust electronic communications please complete the information below.
